CERTIFICATE 24939

RESOLVED That the Design Commission, having considered designs for the installation of streetscape improvements, Broadway Junction, Van Sinderen Avenue between Fulton Street and Broadway, adjacent to Callahan-Kelly Park, Brooklyn, submitted by the Department of Design and Construction, the Department of Transportation and the Department of Parks & Recreation, represented by exhibits 5886-J, K, L & M of record in this matter, hereby gives to the same unanimous final approval with the understanding that the agencies will revise the newsstand design using brick or stone and a less steeply sloped roof, so it is more in keeping with the park's aesthetic, and resubmit as soon as possible, given the project's time constraints. The Commission notes that it is unfortunate that the Design Award-winning prototypical newsstand cannot be used due to restrictions in Cemusa's franchise agreement.

Final approval is conditioned upon commencement of work before January 6, 2016 and submission of comprehensive photographic documentation of the completed project consisting of 8" x 10" archival-quality color photographs.
